Allen, it is with much regret that I resign from Housing Finance Authority effective April 1, 2003. I am passionate about the issues we are about, and have hung on much longer than my schedule would allow; however, my commitments are now becoming more than I can handle, so I need to pass this important position to someone else.

While I don't mean to be presumptuous, and I know Commissioner Winchester will make the appointment, I would like to recommend Penny Herman, Realtor and President Elect of the Tallahassee Board of Realtors as a possible replacement. She was a member of the City Commission when this initiative was implemented and shares my passion for first time home buyers.

It has been a real pleasure to work with you and other members of the Authority and I hope we can continue to keep in touch.

Sincerely,

Virginia Glass
Secretary
Housing Finance Authority
